WHO WE ARE

PPC is a diverse community of people experiencing a variety of mental health concerns. It is 100% Voluntary. Our Clubhouse is operated by staff and members who share in the duties of running and maintaining the building and program. Our staff bring different levels of lived experience, education and training. We work side by side with members everyday touching on life skills such as:

- Culinary/cooking
- Healthy life choices and goals
- Importance of self care
- All aspects of employment, housing opportunities, socialization and teamwork
- Advanced skills such as data entry, in house leadership roles, continuum of recovery and wellness

Peer support is a priority as we strive to include opportunities for all to join in training and education for all in this important field. PPC is a place to learn about community resources, self care and wellness activities. It is also a place to learn more about yourself by sharing and learning with members and staff.

Knowing this, on a scale of 1-4 how interested are you in applying for membership? (Circle one)

1- Not what I'm looking for

2- I gotta think about this more

3- I'm interested in seeing how it works
